Quality of our people

The quality of our people together with PFZW's long-term and solid commitment to ILI form the basis of our success.

Through a thorough understanding of the (re)insurance market and the solid and long-term capital base that PFZW offers, we believe we can become a long-term reliable partner for the (re)insurance industry without forgetting our roots. For this reason, we speak our own voice on the topics that matter to us. We continue to develop and strengthen our strategy and implementation by means of consistency and innovation.
